## About This Content

Explore the remnants of a shattered world!

It has been countless ages since the great Cataclysm left the world of Talisman on the brink of destruction and now, from the ashes, civilization rises once again.

The Cataclysm expansion introduces an entirely new main board to replace the one found in the base game. Explore the broken lands and meet its many new and varied denizens with over 150 cards and five new characters.

Best your opponents, secure the crown, and seize your destiny!
